

## Install Instructions

Thank you for your purchase from FCPX Full Access.

The product you have purchased is intended for use as a **"Transition"** file in FCPX.

To use your plug-in, please copy and paste the enclosed folder included in your download into the following folder located on your Mac:

**User > Movies > Motion Templates > Transitions**

Please refer to the included "Plug In Install Guide" if you require further assistance or contact us at:

**Hello@FCPXFullAccess.com**
